Water Matters

Chichester College

Cathedral Room, Westgate Fields, Chichester PO19 1SB

DATE: **Thursday 14th January 2016**

TIME : **7.15pm for a 7.30pm start**

Our first meeting of the New Year will provide an opportunity for us to discuss and share our ideas and thoughts on everything related to water. Topics to include; quality, availability, source, and delivery systems.

This meeting will follow the very successful format we adopted last year where we held a round table discussion on the subject of growing media. The meeting will be chaired by **Colin Bloomfield** and invited guest experts (fountains of knowledge) to include **Tom Ormesher**, Environment and Land Use adviser (NFU SE region) and **Max Manning**, Hortisystems' irrigation expert. (www.hortisystems.com).

Send us your questions in advance and we will forward them to our experts!

**** Students, Trainees and non- members always welcome to attend ****
